There are three (3) reasons why a voter would vote on a provisional ballot.

1- Voters who moved out of the district but within the County vote at their **NEW POLLING PLACE** on a **provisional ballot**.

→ 2- If a voters box is missing from the poll book, they vote on a provisional ballot only after it is determined that they are in the correct district.

3- Voters who have the message "No Signature on File" printed in their signature box are to vote on provisional ballot.

Instructions for using provisional ballots can be found in your Quick Answer Booklet.
